ACADEMIC PROFILE

A researcher and lifelong learner dedicated to the quality of measurement in education and the social sciences. My research focuses on reliability, validity, measurement equity, statistical modeling, measurement theory, and cultural relevance in the Indonesian context. I have a particular interest in the development and evaluation of tests and measurement scales, the implementation of assessment systems, and the appropriate and accountable use of scores to support evidence-based quantitative research.

PROFESSIONAL EXPERIENCE

Adjunct Lecturer | August 2025–present

Faculty of Psychology, Universitas Padjadjaran

- Collaborate with course teams to plan instruction, align course content, and evaluate student learning outcomes.
- Prepare and deliver instructional materials, applied exercises, assignments, and assessments to strengthen students' conceptual understanding and analytical skills.
- Guide students in applying statistical and psychometric methods to data analysis, instrument evaluation, and interpretation of psychological research findings.
- Integrate measurement theory, research findings, and analytical software into teaching and learning activities.

Courses taught:

- Undergraduate: Psychometrics; Experimental Psychology; General Psychology; Test Construction and Psychological Scale Development; Statistics I; Statistics II.
- Master's: Measurement in Psychology; Statistics; Psychometrics.

Psychometrician | August 2023–present

Center for Psychometrics study, Faculty of Psychology, Universitas Padjadjaran

- Evaluate the psychometric properties of measurement instruments, including validity evidence, reliability estimates, and measurement fairness.
- Apply a range of models and analytical methods, including classical test theory, structural equation modeling, Rasch measurement theory, item response theory, and univariate and multivariate statistics, according to research objectives and designs.
- Prepare tables, visualizations, statistical interpretations, and methods and results narratives for research reports, journal articles, and technical documentation.
- Collaborate with lecturers, students, researchers, and professional practitioners to conduct research and implement measurement practices with defensible foundations, interpretations, and uses.

[Recruitment, Selection, and Assessment Intern](#) | June–September 2021

PT Sumber Alfaria Trijaya Tbk., Pekanbaru Branch

- Supported employee recruitment and selection processes, including administrative screening, physical tests, psychological testing, scoring, and interviews.

- Administered candidate records and selection results to support completeness and traceability throughout the recruitment process.
- Coordinated with the recruitment team to prepare assessment activities and document results at each stage of selection.

Psychologist Assistant | February 2020–January 2021

Applied Psychology Institute, Faculty of Psychology, Universitas Islam Riau

- Assisted psychologists in delivering services in clinical, educational, industrial and organizational, forensic, and migration-related settings through collaboration with the International Organization for Migration (IOM).
- Conducted service administration, initial screening, psychological testing, scoring, interviews, results processing, and preparation of supporting materials for psychological assessment reports.
- Delivered psychoeducation and developed psychology-related social media content to support public information and outreach.
- Managed operational activities, including administration, records, procurement of service materials, marketing, and client communications.

EDUCATION

Master of Psychology | August 2023–February 2025

Faculty of Psychology, Universitas Padjadjaran, Bandung

- GPA: 3,85/4,00
- Thesis: Adaptation of the Littering Attitude Scale into Indonesian
- Concentration: Psychometrics

Bachelor of Psychology | August 2018–July 2022

Faculty of Psychology, Universitas Islam Riau, Pekanbaru

- GPA: 3,71/4,00
- Final project: A Systematic Literature Review: Happiness of Santri in Pesantren
